

# Power panel: All about Blockchain

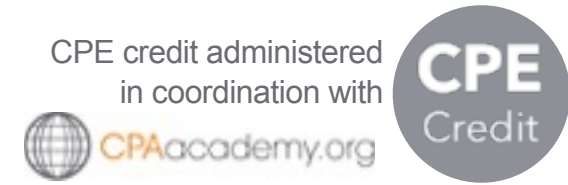

Moderator: Aynsley Damery

A woman with blonde hair in a ponytail, wearing a dark jacket with a white fur-lined hood, is shown in profile, looking towards the right. She is in a crowd of people, with another person's head and shoulders visible in the foreground. The background is dark and out of focus, suggesting an outdoor event at night.

@aysleydamery

We believe in helping business owners create a better business, better life and better world.

we know that every business has the power to change lives and make a difference...

...not only for the business owner themselves, their family and team but for those less fortunate around the world too.

# Common purpose

## The UN Sustainable Development Goals (SDGs)

- In September 2015, 193 World leaders agreed to 17 Global Goals
- If achieved, they would mean an end to extreme poverty, inequality and climate change by 2030
- First time it was recognised that entrepreneurs could play a part in solving the worlds' most meaningful problems
